

March 2013

“Laser Whangarei provide a great team and with a great team comes great service”

“Working with a large electrical business like lasers Whangarei has benefited our business because of the level of service they can provide”

“Because of the large team and back up service they are always available”

“The showroom is invaluable for our clients who have high expectations”

“The showroom enables lasers to show off the extra stuff they provide over just the wiring of a home”

“Ryan & Steve work on and in the business making it great for our clients to deal with business owners who are hands on along with their great team”
