To whom it may concern,

Homeworld have contracted Laser Electrical Whangarei as our preferred electrical supplier for a number of years and they continue to impress us with their efficient, professional manner.

Their knowledgeable and friendly staff continue to work well with us and more importantly, our customers.

Quotes are provided in a timely manner, and work is carried out to a very high standard.

We have no hesitation in highly recommending Laser Electrical for all areas of electrical fit out and maintenance.

Yours Sincerely

Barry Trass
